I was referring to TOEROEK enforcement support services that Sara Habert is Contractor contact person. If you are not familiar, then I may be able to do it before I go on my detail.

I also want to ask you about the signature block for your branch chief. Please let me know if you can provide me with that.

Thanks.

No I am not familiar with this form. I also do not know what contractor services you are talking about. I have a work assignment for performing remedial work on the site but that is all.

Hi Tom,

Exemption 5: deliberative process; attorney work product; attorney client communication

Pam, I understand that RPMs have access to the Contractor's Services. Are you familiar with filling out the Work Request Form, and if not, I can help you with that.

Thanks.

Hi Tom,

I apologize for delay response. I was out most of the week last week and today is my first day back into the office. I will put the GNL letters into signoff tomorrow. I am only here until Friday 1:30 pm and will start my 6 month detail this coming Monday. Mike will be on a 120-day detail as well starting Monday. [REDACTED]

Exemption 5: deliberative process; attorney work product; attorney client communication

Thank you.

Thanks, I do remember you mentioning that Fouad. Congratulations and good luck in Water Div. Should I start to go to Mike Rafati (or someone else), when I have Enf. Specialist matters? How soon should I begin? Thanks again to both of you.
